

Legends and tales

Each of us, regardless of age, loves legends and fairy tales. In every person there is a deeply rooted need for listening and storytelling. Let us immerse ourselves in the extraordinary reality of legends from the Limanowski region. The most interesting ones are presented below. With certainty, they will be a source of knowledge for the youngest. For all, they will be a valuable source of knowledge about the region, its traditions, the lives of its inhabitants, beliefs, and also about the universal message of wisdom, told and written down using legends.

- >[Where the name Mogielnica comes from](#)
- >[The alchemist from Łukowice](#)
- >[The abandoned settlement](#)
- >[The valiant nuns](#)
- >[The miraculous rescue](#)
